Case Number: 4:22-cv-00145-KAW

**DECLARATION OF PAULETTE PERCY**

1 I, Paulette Percy, under threat of penalty of law and pursuant to 28 U.S.C. § 1746, do  
2 hereby declare as follows:

3 1. I make this declaration in support of proposed intervenors' Motion to Intervene in  
4 the above-referenced case. I am competent to testify about the matters set forth herein and am  
5 over 18 years of age.

6 2. I am a member of the Point Reyes Seashore Ranchers Association ("PRSRA")  
7 that seeks intervention in this case and I have personal interests at stake, and knowledge  
8 concerning, this litigation. I currently have a use permit to graze cattle in the northern portion of  
9 the Golden Gate National Recreation Area ("GGRNA"), which is managed by the National Park  
10 Service ("NPS") and subject to the same General Management Plan Amendment and Record of  
11 Decision ("GMPA/ROD") at issue in this case.

12 3. I have great respect for the Point Reyes National Seashore ("Seashore") and the  
13 purposes for which it was created many years ago. The land was subject to development and  
14 now it is a perpetual treasure for both the public and those ranching families that gave up their  
15 lands and took leases in order to preserve this wondrous place. It is with great pleasure and  
16 pride that I care for the land and husband my small herd of beef cattle, promoting healthy  
17 animals and sustainable use of the land.

18 I declare under penalty of perjury that the foregoing is true and correct to the best of my  
19 personal knowledge.
